Note:

Captures weighed on expired scales may not be accepted for club points or record claims.

Please deliver scales before expiry to Lae Battery Services for testing. The scale owner is required to pay the testing authorities' charge of K5, however note that this charge may vary and any additional amount will be payable on collection (they have charged K10-K30 on occasion). There may also be an additional charge of K48.40 inc. VAT if service requiring disassembly is necessary to achieve approval by Weights & Measures Dept.

Members wishing to register scales with the club should seek advice from the Weighmaster. For dial scales, only 'Trade' type will be accepted. 'Trade' scales are distinguished by NOT having an easily adjustable thumb screw or thumb wheel adjustment (i.e. adjuster is semi-concealed requiring a screw driver or stylus to adjust).
