It is important to submit your renewal before July 31st to ensure uninterrupted benefits. If your membership constitutionally lapses (i.e. not renewed before July 31st) you will be ineligible to submit captures until renewal has been effected.

Renewals submitted after July 31st must be handed to and countersigned by a Committee Member at least **THE DAY BEFORE** you are eligible to register captures. In absence of this countersignature the starting date for membership will be strictly the date of approval at the subsequent Committee Meeting. A list of Committee members with contact details is posted on the LGFC Notice Board at the LYC and on our website at <http://www.laegamefishing.org.pg> .
